## CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Since the College is a government institution hence the autonomy which is delegated to the departments or units are in accordance to government norms and directions, issued by the department of higher education. The DHE, the Principal, and Departmental Heads uphold a healthy interaction which helps in designing and implementation of its quality policy and plans. The Principal is the administrative Head of the institution. Heads of various Departments synchronize regular administration of the Departments. Several committees are operative to formulate better action plans. The Principal of the college personally interacts with teaching, non-teaching staff, students and guardians to formulate action plans for betterment of college, for its smooth functioning and for implementing its goals and mission. A well defined internal organizational structure consisting of various committees like purchase,

building, departmental, finance, IQAC, admission and college development exists in the college to facilitate the decision making process.

## 6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	The institution being an affiliated college to the Bundelkhand University does not have the freedom of formulating its own curriculum. The college ensures that the University Curriculum is followed in the best of the spirit.
Teaching and Learning	The Academic calendar is decided and publicized by the Higher Education department and Bundelkhand University, Jhansi. The calendar outlines the session schedule, examination schedule and schedule of holidays. Fitting in the given academic calendar the paper wise teaching plan is made by the respective paper teacher under the guidance and approval of the head of department. All teaching faculty members are required to prepare a teaching plan spread over three sessions and distribute units and topics of the prescribed syllabus in the plan. The course plan is made clear and understandable and reflects what the faculty is planning to do for the current session course. We use lecture method, discussion, tests etc. for teaching and learning. The College Development committee and the Teaching learning and Evaluation cell of the IQAC monitor the teaching learning process and try to find out gap if any in this process. Collective efforts are made to fill that gap for enhanced teaching learning process. The cross cutting issues like gender, climate change, environment education, human rights, value education, and ICT etc. find ample space, when it comes to applying them positively in the curriculum.
Examination and Evaluation	Institute follows the university norms and guidelines for conducting examination. A separate examination committee is formed for conducting examination in the institution. The committee ensures that there should be

	<p>no use of unfair means in the examination for that reason CCTV cameras are installed in classrooms. University is the sole authority for implementation of reforms in examination and evaluation but faculty members who are a part of academic bodies of the university actively campaign for reforms. The evaluation policy for each course is fixed well in advance by the university and communicated to the students at the beginning of the year.</p>
Research and Development	<p>As the College does not offer any research oriented programme, any percentage of the total budget has not been earmarked for research. In our college most of the teachers hold Ph.D. degree. The faculty is also preparing for projects. Major and Minor research and publication of research papers and books by teachers is also encouraged. Dissertation work will be done by PG students.</p>
Library, ICT and Physical Infrastructure / Instrumentation	<p>More than 10000 books of different subjects are available in library which can easily avail by students by using library card issued by librarian. E-library available for searching e-content Magazines and newspapers are available in reading room. Various instruments are available in Laboratories of college used by students for their practical.</p>
Human Resource Management	<p>It is a Government college so all the recruitment is done by the U.P. Public Service Commission. Available human power is utilized by forming different committees under the supervision of the principal.</p>
Industry Interaction / Collaboration	<p>Because there is no professional course in the college so there is no industry interaction.</p>
Admission of Students	<p>The college follows centralized online admission system of Bundelkhand University, Jhansi. The student has to apply online for admission directly to University. Students fill the priority of the college at the time of online registration. College gives admission according to the merit list of students send by University.</p>

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details

**7.2 – Best Practices**

7.2.1 – Describe at least two institutional best practices

The College established to cater to the demands of providing higher education to the students. Apart from this, most of the rural community students who have agricultural family background seek higher education in this College. Keeping these local needs in mind, the College has taken some strategies for widening access to higher education to its students. The College is attaining new heights since its inception through innovative measures. Some of the innovations introduced during last four years are ICT based learning, arranging remedial classes for slow learners and providing question bank and study material. The orthodox system of working in the office has been replaced by computerized system of administration. This has improved the functioning and efficiency of the office. There are many best practices which have improved the College academically and administratively. Two best practices to mention are:- Quality education and ICT based teaching learning. With the introduction of ICT enabled teaching and learning process, it has been observed that the students' participation in classes has improved significantly and students have performed better.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

**7.3 – Institutional Distinctiveness**

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The practice has exercised a great motivational influence on the student community. Motivated by the student achievers and honors conferred on them, the students are recognizing their potentialities, shedding their inhibitions and coming forward to participate in various activities being organized by the college. What is laudable is that they are benchmarking their achievements and effort. The achievements of the competent teachers in their respective fields further fire them to give their best and outperform. Well-defined value system and love for our culture has given strong roots and poise to our students and facilitated their moral and intellectual growth. It has gone a long way in inculcating a strong sense of ethical values, a genuine concern for our culture and commitment to nationalistic causes.

### **8.Future Plans of Actions for Next Academic Year**

At first on priority basis, repairing and reconstruction of the college boundary wall, is to be done. If reconstructed, the college campus and the plantation for the environment conservation would be saved and protected from the astray animals. It is also essential for the safety and security of the girl students. Positive steps are being taken to upgrade college from U.G to P.G in All subjects, as it is long awaited wants and demands of the local students and their guardians. We are having a continuous correspondence with UP Government in order to fill the vacancies for teaching and non teaching posts of the college. The efforts to strengthen the basic infrastructure of the college are being practiced so that the college may be covered with various benefits of 'RUSA'. It would help in obtaining 'RUSA' grant for all round development of the college. A permanent career counselling wing is to be established. It will create a competitive atmosphere which consists of classes for objective type examinations. Lastly it can be said with full conviction that many other schemes and workshops would be formed and implemented to cope with the future challenges.
