Students Satisfaction Survey

(2022-23)

Goswami Tulsidas Government P.G. College, Karwi, Chitrakoot

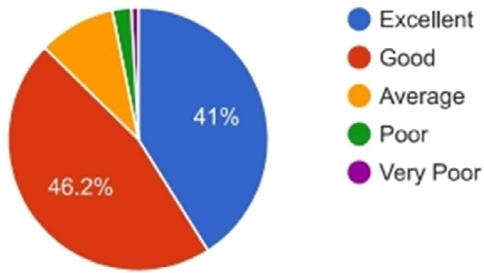

The primary purpose of higher education is creation of knowledge and propagation for the development of world through innovation and creation of prepared minds of students. Hence, higher education institutions are increasingly recognizing and are placing greater emphasis on meeting the expectations and needs of their students. So, successful completion and enhancement of students' education are the major reasons for the existence of higher educational institutions. This positive development in higher education shows the importance of educational institutions understanding student satisfaction in a competitive environment. Both academic and students perceive physical facilities are more important than general. i.e. students must satisfied with factors related to comfortable learning environment, public spaces, campus accessibility and satisfied with laboratory and teaching facilities.

Our College has administered student satisfaction surveys in order to elicit student opinion and perspective regarding institutional environment, programs, and services. We have prepared Student survey forms with certain questionnaire by considering the following factors

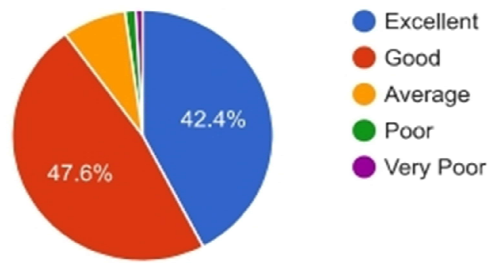

- ✓ Infrastructure facilities available in the college
- ✓ Learning resources available Lab facilities available in basic science and computer science department.
- ✓ Career guidance
- ✓ Efforts by the college to improve the quality of teaching and learning.
- ✓ Mechanism of Grievances redressal
- ✓ Helpfulness by the college administrative staff
- ✓ Evaluation system
- ✓ Encouragement provided to the students for participation in extracurricular
- ✓ Institutional sensitivity to provide educational, social, personality development programs, career oriented programs etc.

Outcome: This survey appears to be making a genuine effort to gather feedback to improve the effectiveness of the experience for students in the institution. The result of the survey is shown in the form of Pie chart below. The result analysis shows that majority of the students have highly appreciated the facilities available in the institution very positively.
